Parkway Vista Approved With Tentative Map

PLACENTIA - The first single-family residential tract to feature a parkway vista treatment on a major arterial highway was approved by the City Council at its last regular meeting.

The tract, located along the east side of Kraemer Boulevard south of Madison Avenue, contains 52 lots on 14.1 acres. The parkway vista is a 20 foot wide landscaped strip along the street to provide relief from the vista of block walls now placed along major streets.

Councilman Robert Lyons opposed the motion approving the map because it did not allow the developer to deduct the cost of the parkway vista from recreation and parks fees.

Lyons argued that the vista is essentially a park and should be treated as such when it comes to payment of fees. Other councilmen said that it was no different from any other street dedication, except that greenery instead of asphalt would be planted on it.

MEMBERS - Mrs. John Riggins, left, membership chairman, welcomes new members Mrs. Harold Rees, Mrs. Ross Weedman and Mrs. Howard Reed into the club during the initiation ceremony at the home of Mrs. Dennis Kirk. Other new members included Mmes. Harold Nerhus, Norman Pesicka, James Mosino, Larry Taylor, Wesley Vaughn, Daniel Arnold, Robert Brady, Edward Critser, Sherman Owens, Arthur Sandstrom, Richard Wall, David Simms, and Joseph Lizzari.

School District Sells Bond Issue

PLACENTIA - The Placentia Unified School District has sold a \$3.52 million bond issue to a Bank of America underwriting group at a net interest rate of 4.7874 per cent.

The interest rate represents a reduction of .6176 per cent from the last bond sale in October 1971, which sold at an average rate of 5.405 per cent, according to Dr.

John Mullender, the school district's director of business services.

"This lowered interest rate will mean a savings of tens of thousands of dollars to the taxpayers of Placentia Unified School District in years to come," he said.

He explained that an improved credit rating recently obtained by

the district from Moody's Investment Service may be indirectly responsible for the favorable bond sale. The district now holds an "A" rating, considered "very good" by district officials.

Breakdown on the bond sale was \$745,000 at 5.5 per cent, \$145,000 at 5 per cent, \$490,000 at 4.5 per cent and the remaining \$2.14 million at 4.75 per cent.

The bonds are the fourth series to be sold following the 1970 election authorizing such sales. An additional \$6,705,000 in bonds remain to be sold. Money from bond sales is used for district building programs, Dr. Mullender said.

Two schools currently are under construction in the Placentia Unified School District: an addition to Golden Elementary and the new Esperanza High School, both of which are scheduled to open next school year.

Overall district growth has increased by almost 550 students since the opening of school in September.

approved version of the document.

Major changes include a revision of priorities in community building in south Placentia and Atwood. The buildings were placed in first priority from the recreation and parks tax fund by the Council. There were also several minor changes.

The public is invited to attend the meeting.

Planning Commission Sets Capital Element Meeting

PLACENTIA - The Planning Commission will hold a special meeting tonight at 7:30 p.m. in the City Hall Conference Room to consider and make recommendations to the City Council on several changes made in the capital improvement element of the general plan by the council.

State law requires the commission to report to the council on any changes made in the commission

Public Hearings Are Continued To January 2

PLACENTIA - Two public hearings have been continued to Jan. 2 and two others set for that date by the City Council at its last regular meeting.

An appeal of variance denial by the Planning Commission for five outdoor signs requested by Melvin Genser Outdoor, Inc. and a zone change from R-1 to R-A for a small parcel on Angelina Drive have been continued until Jan. 2.

Hearings set were an appeal of use permit conditions by Riley Marquis and an appeal of Planning Commission denial of a use permit application from Walters and Son, Inc.

Hearing Set On Federal Monies

YORBA LINDA - Councilmen have set a public hearing for Jan. 23 at Yorba Linda Junior High School to discuss means of spending the revenue sharing money which the city will receive over the next five years.

City Administrator Arthur Simonian told councilmen that the first check for \$23,000 had been received, and added that he expected to get \$273,000 over the next five years.

He recommended the public meeting, which was first advocated by Councilman Henry Wedaa three weeks ago. He said that the public should be given an opportunity to make suggestions for the use of the money.

In other action councilmen set a

public hearing for Jan. 15 on the abandonment of streets in the Carlton area for the high school district, approved an agreement with the county for street widening

on Yorba Linda Boulevard east of Imperial, adopted a code of ethics, and issued a service permit to Blander Patrol to provide private patrol service.

Sen. Tower To Speak At Cal State

FULLERTON - U.S. Sen. John Tower, R.-Texas, will speak on the "New Conservative Era" at California State University, Fullerton, Saturday, Jan. 6.

Tower, described as a progressive conservative by his fellow senators, will speak in the university's Gymnasium at 8 p.m. His talk is sponsored by the Associated Students Lecture Series.

After Tower's talk there will be

a question and answer period, according to George Yeckle, coordinator of the event.

"Tower's appearance here will balance out our lecture series following last month's appearance by Angela Davis," Yeckle explained. "We hope to present a wide variety of political opinion in our lecture series."

Tower, serving his second term in office, sits on the Armed Services Committee, Banking and

Improvement Element Referred To Planners

PLACENTIA - The City Council has approved in principal the revision of the capital improvement element of the General Plan but sent the plan back to the Planning Commission for a report on several changes as required by state law.

The element programs all capital improvements, buildings, streets, sewers, and storm drains, for the next 15 years and spells out costs and available financing.

There are several funds from which financing for the improvements will come, including utility tax, recreation and park fund, gas tax fund, sewer acreage fees and storm drain acreage fees. In addition the county provides matching funds on major street improvements.

Major public improvements to be financed from the utility tax fund include the civic center complex in 1972-1974 at a cost of \$1,885,200, the Melrose fire station in 1972-73 at a cost of \$86,500, Chapman fire station in 1974-75 at a cost of \$183,000, the Atwood fire station in 1975-76 at a cost of \$101,500 and the corporation yard in 1975-76 at a cost of \$270,000.

Major projects scheduled for 1973-74 from the recreation and parks fund are community buildings in Atwood and La Jolla. Many other smaller projects are scheduled.

Street projects include Chapman Avenue widening from Murray to Bradford in 1973-75, construction of Golden west to Placentia in

1974-75, reconstruction of Richfield Road in 1975-76, widening of Bradford from Yorba Linda Boulevard to Chapman Avenue in 1976-78, widening of Van Buren and construction of Jefferson in 1978-79 and widening of Crowther in 1979-80.

Construction of a major storm drain in Valencia Avenue and Palm Drive is set for 1974-75.

City Council will give final approval to the plan when the Planning Commission report is completed.

Van Storage Approved By YL Council

YORBA LINDA - A controversial proposal from Fairway Ford to store vans and campers on a parcel owned by Dan Foley at the northeast corner of Prospect and Yorba Linda Boulevard was approved by the City Council at its last regular meeting.

Councilmen split 3-2 on the proposal with Mayor Rudy Castro and Councilwoman Carolyn Ewing voting against it. Mrs. Ewing was concerned that such a use would set a precedent for use of other such lots for temporary storage.

Fairway Ford had requested the use so it could store campers and vans near its property while construction on an addition to the agency is under way.

Backs Make Presentations To Placentia City Council

PLACENTIA - Edward and Angeline Backs have again become Placentia's Santa Claus as they made two presentations to the City Council at its last regular meeting of 1972.

First they presented a deed to the building and property next to Kraemer Park now being used for the Recreation and Parks Department offices.

Second they asked permission to design and build a memorial to all Placentia servicemen on the site of the former American Legion Building at the southwest corner of Kraemer Park which was presented to the city a few years ago.

Backs said that he envisioned the memorial as taking the form of a fountain with places for city, state and national flags. Servicemen's names would be inscribed on bronze plaques.

Councilmen approved the setting up of a trust fund to be used for construction of the memorial. Backs will contribute the money for the fund.

Currency Committee, and the Joint Committee on Defense Production.

Tickets for the Jan. 6 talk are on sale in the Associated Students box office, located in the basement of the Letters and Science Building. Ticket prices are \$1 for Cal State students and \$2 for general admission.

Further information may be obtained by calling the Associated Students office, 870-2401.

Area Counties Rank In Vehicle Registration

A county-by-county listing of off-highway motor vehicles identified since the new OHV registration law took effect last July reveals six southern California counties among the first ten in numbers of such vehicles registered.

Of the 41,071 five-month total for which computer programming had been completed by November 30, there were 36,153 in the motorcycle category and 4,489 classified as four-wheel vehicles. They represented 88% and 11% respectively, with miscellaneous types comprising the remainder.

The first 10 counties in the registration totals are: Los Angeles, 13,897; San Diego, 5,836; Orange, 5,266; San Bernardino, 1,627; Sacramento, 1,510; Santa Clara, 1,480; Alameda, 1,222; Kern, 1,084; Ventura, 952, and Riverside, 926.

Director of Motor Vehicles Robert Cozens noted that the total is less than 5% of the estimated one million mini-bikes, trail bikes, motorcycles, dune buggies, snowmobiles and all-terrain vehicles using public lands in California. He emphasized that by now, with only minor exceptions, all of these should have been "identified" with the special sticker plate issued by DMV.

This requirement now is Division 16.5 of the Vehicle Code. It originated as the Chappie-Z'berg Off-Highway Motor Vehicle Law of 1971.

Overall, the registrations have brought in \$230,973 for the Department of Parks and Recreation's special fund for off-highway vehicle recreation facilities. Up to one-half of this will be available for local grants on a 75%-25% state-local matching basis.

Health News . . .

'Idea Explosion' Aimed At Workers' Injuries

A frequent participant in seminars, we asked Dr. Andrew N. Burpee, of the Burpee Chiropractic Offices, what he thought to be the important benefits that could be derived from the type of research seminars he attends.

"There would be absolutely no purpose in attending a convention or seminar if my patients were not to be the ultimate beneficiaries," said Dr. Burpee.

DR. BURPEE

"The leaders of our profession are currently involved in what you would call a virtual 'idea explosion' concerning effective treatment of on-the-job injuries.

"Let's face it," said Dr. Burpee, "we've got to get the fellow that works on a day-to-day basis back on the job as quickly as possible if he is injured and therefore temporarily removed from the job.

"The pace of our modern day living is such that an injured workman is too quickly forgotten if we can't get him back on his job at peak efficiency. I've heard

of too many fellows who lost their position and even their job because they had been laid up by a job-connected injury."

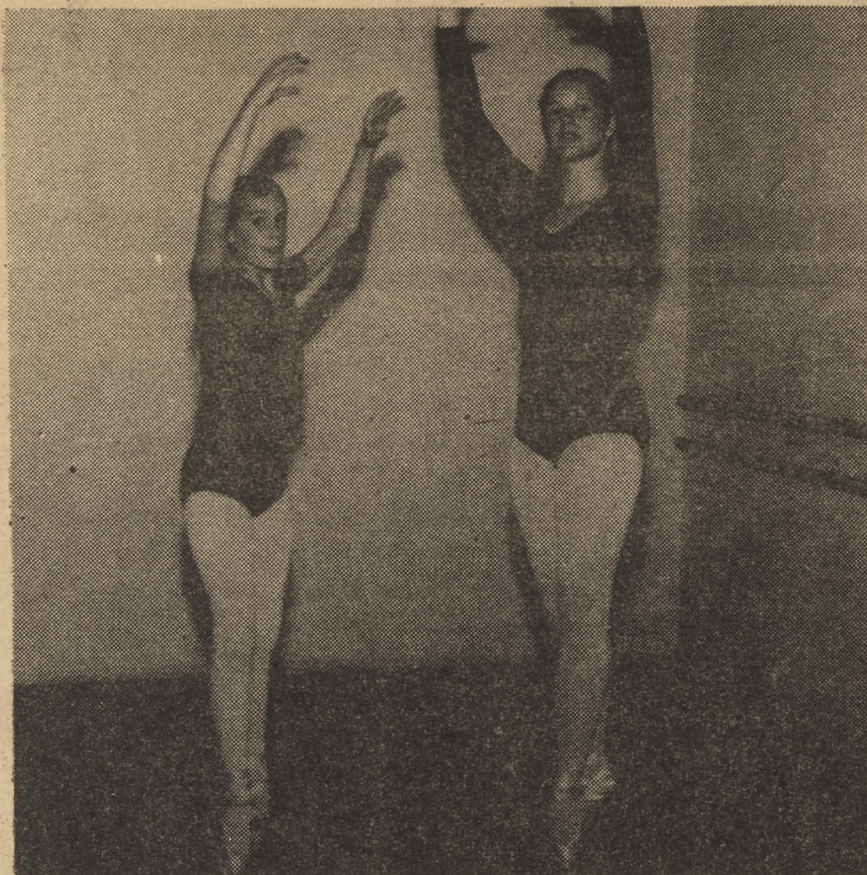

Many have voiced the opinion that Dr. Burpee's 'track record' in caring for on-the-job injuries is one to be admired.

"The workman needs the best . . . deserves the best . . . if he is hurt on the job and therefore I will go anywhere in this country to exchange ideas with others; to share and learn so that I can know the most advanced methods and science our profession has to offer.

"When a fellow comes to me from an on-the-job injury he expects me to give him the best possible care so that guided by the most advanced knowledge I can get him back on the job quickly," continued Dr. Burpee. "I'm not about to betray the confidence."

Remember! Insurance pays for Chiropractic care. Dr. Burpee maintains offices at 245 North Glassell St. in Orange (639-0111).

COMING SOON!! WE ARE PROUD TO ANNOUNCE THE GRAND OPENING OF OUR SECOND OFFICE AT 159 North Raymond Ave., Fullerton (Approximate date January 2, 1973). ADV.

ACCEPTED - Paul Clifton, left, and Jessie Roth show the dancing form which won them a place as apprentices in the Dance Theater of Orange County recently.

Theatre Accepts Local Girls

Jessie Lee Roth, 13, of Placentia, has been accepted as an apprentice of the Dance Theater of Orange County, joining Paula Clifton, 11, of Yorba Linda, who auditioned in September.

Miss Roth is the daughter of Mr. and Mrs. Walter Roth of Placentia and granddaughter of Florence Robinson of Placentia. She is an eighth grade student at Kraemer Intermediate School and has been studying

ballet and voice for several years.

Miss Clifton is the daughter of Mr. and Mrs. Jack Clifton of Yorba Linda and attends Orange Christian School.

Both are students of Mrs. Clifton at the California Academy of the Arts in Yorba Linda. Mrs. Clifton was formerly with the Montreal Ballet Theater.

The Dance Theater of Orange County is based at

Junior Singers Perform At Convalescent Homes

The Junior Singers, a group made up of six members of the Yorba Linda Junior Woman's Club under the direction of coordinator Mrs. M. A. Barnes, has made three holiday appearances at convalescent homes in the area.

Included in the group are Mmes. James Bremer,

Douglas Jelinek, Clifford Maitlen, Thomas Tice, Michael Van Buskirk and Carl Woodard. They have all been overwhelmed at how responsive the elderly patients are to the carolling and how appreciative they are of a visit.

A group spokesman urges everyone with shut-in friends and relatives to remember them when making holiday plans.

YL Scouts Distribute Presents

On Saturday afternoon, Dec. 16, Cub Scout Pack 580 of Yorba Linda, met at Fairmont School to go on a field trip to Albert Sitton Hall in Orange, where they distributed a used toy to the children at the Hall, and to Anaheim General Hospital, where they sang songs and distributed decorated coffee cans filled with Christmas cookies to patients. Cubmaster Rick Campbell was dressed as Santa Claus for the day.

Paintings Create Serene Mood At New Hospital

by Florence Robinson
Music will soothe the savage beast or something to that effect, a poet once said, but music, no matter what the instrument, has to have tone quality to convey its message.

Art, another form of the humanities is a silent tribute, but can produce in the mind and heart of one who looks and finds it, all sorts of notes and sounds.

Perhaps that is the reason that the paintings in the corridors and the various rooms of Placentia-Linda Hospital are so creative. The depth of a lane through a stand of trees in fall color leaf; a water fall trickling over a

rock; a bouquet of white roses nodding from a vase, or just a picture of an idle moment spent along a bypath creates a quiet moment of things done and still to do as one travels through the hospital.

None of the surrealists or far out modern works are seen which would require a lot of speculation as to the meaning of the picture is there, but just beauty that blends into the walls and leaves the passerby with a sense of serenity.

Fire Loss Minimal For City

The citizens of Placentia should be commended for the extremely good fire loss record compiled in the City of Placentia during the past year. Chief Jim Sims of the Placentia Fire Department offered this commendation after reviewing the fire losses for the Year 1972. He said that the fire loss, although not completely compiled at this point, looked like it was going to be extremely favorable, in spite of the record growth the City has experienced.

Chief Sims said that the citizens of this Community were to be congratulated for being conscious of the danger than an unfriendly fire represents and the damage such a fire can cause.

Chief Sims said that he, the officers and men of the Placentia Fire Dept. would like to wish the citizens of this community a Happy Holiday season with the hope that our fire record will be even better for 1973.

the highlights of the dedication of the Digital Computer organ at St. Joseph church Sunday afternoon, Dec. 17.

This particular number demonstrated more perfectly what could be done with the computer, as one heard a soft echoing sound, as in a distance. The Ave Maria, sung by Marjorie Horn Shelley, a soprano, was a beautiful part of the service.

John Powell and Richard Dissell, were the organists. Both are with the Gould Music company of Santa Ana, and they brought out all the vast tone qualities of the organ, as well as the many facets of the softer tones. The organ is the new type in churches which eliminated the need for pipes.

Those assembled joined in singing "O Come, All Ye Faithful," a Christmas

hymn so well loved, after which followed the solemn benediction.

Ministers Urge Revival Of Epiphany Custom

Epiphany, the twelve days from Christmas to Jan. 6, is known in all religious circles as the 12 days the Magi traveled to Bethlehem to place gifts at the feet of the new born King.

Members of the Ministerial Association of Placentia revived the custom of extending Christmas for the 12 days, and importuned their congregations to not stop "Giving" on Christmas night, but start on Dec. 26. Parishers invited friends in to share the Epiphany season with noon time gathering in homes. It was the hope of the clergymen that the community, as a whole, would join in this special thankful service, and spread the spirit of Christmas.

Ask a new neighbor or several friends in for this each day until the arrival of the Twelfth Night, Jan. 6, and hold fast to the true spirit of Christmas, was the consensus of the opinion of Placentia ministers.

Historically, Epiphany is known as the time when by

the visit of the Magi, Christianity was first given to the Gentiles. The initial day was Tuesday, Dec. 26 and each day someone, somewhere in Placentia is observing this custom.

Mrs. Kierstead Visits Friend In Placentia

Mrs. Arnita Kierstead of Roseville, Michigan, has been the guest of Mrs. Henry (Jane) Rissi during the past week. Mrs. Kierstead and Jane Rissi have known each other for 49 years, and have maintained a close friendship.

While in Placentia, they took an auto ride around the city to observe the many changes, as Mrs. Kierstead was somewhat familiar with Placentia in former years.

St. Joseph's New Year's Dance Set

A big evening has been planned by the Women's Council of St. Joseph's Catholic Church for their annual New Years Eve Dance in the Parish Hall.

Music for the gala evening will be supplied by the Aliens for your dancing pleasure from 9 P.M. to 1:00 A.M. Party favors, table snacks and a delicious buffet is promised by the food chairman, Mrs. Castro.

Mrs. Miscione is chairman of this year's dance, assisted by Mrs. Olivia, decorations and Mrs. Caster and Mrs. Norton, tickets. Tickets are \$10 a couple, by reservation only.

Proceeds of this yearly event will go to St. Joseph's School library.

PUSD Athletic Directors Named

Athletic directors have been named for both high schools in the Placentia Unified School District for the remainder of the school year by the Board of Education.

William Clark, head tennis coach at El Dorado High School, will fill the post there, taking over the responsibility from Thomas Byrnes, who will become administrative assistant to the California Interschol-

astic Federation (CIF) Jan. 1. Clark's appointment was made by Principal Marvin Stewart.

Taking over the athletic directorship at Valencia High School will be Robert Hamblin, head basketball coach, according to Principal Jerry Dorn.

Clark, 30, has been with the Placentia district at El Dorado since 1968 as a social studies and physical education teacher and assistant

athletic director. He has worked as a tennis specialist with the City of Placentia for the past two years.

He holds a degree in physical education from California Western University in San Diego and has continued his studies at California State University at Fullerton. He and his wife Marilyn live in Placentia with their three children.

Hamblin, 40, joined the Placentia school district in

1959 after earning his degree at Chapman College, where he was named an All-American Basketball Player. He began teaching at Kraemer Intermediate School and served as head basketball coach at Valencia, moving to the Valencia campus fulltime in 1961. He has brought the district three league championships.

He and his wife Peggy live in Fullerton with two of their three children.

Ted Price, a 25-year-old newcomer to the district, will replace Clark as head tennis coach at El Dorado.

City Employee Of Year Announced

Mrs. Sylvia Smith of the Recreation and Parks Department captured the "Employee of the Year" award at the annual noon luncheon of the Employees Association held Tuesday, Dec. 18 in Backs Building. Tom Nelson was judge and referee in the contest and told of the 10 persons whose names had been submitted and the difficulties encountered in making the final decision. Said Tom, "We wanted to give all 10 an award."

Village Chamber Singers were heard for the first time in Placentia. They are a group of young people who gather at the Glen Wanker home and practice once each week. Most are residents of Placentia. Well blended voices and beautiful rendition of familiar Yule season songs added to the joy of the party. Wanker stated they have just started and anyone seriously interested in joining the group may call him for information at 528-7645.

Pigskin pickin' contest awards were given creating much hilarity. Gift exchange followed with good old St. Nick, dispensing the gifts.

Special thanks went to Ralph's Market for the fine way the turkeys were prepared and roasted to a golden brown, and Pete Rodarte, who keeps the Police Department in shipshape wielded an electric knife to perfection as he carved the birds.

Suffice it to say that tribute goes to the distaff members of the police department who organized the accompanying goodies, such as salads and all the other fixins, and to Dan Greeley who planned another outstanding hour for employees to forget their numerous duties and to enjoy an excellent repast.

Round Table To Meet For Speaker, Brunch

First meeting for 1973 of the Placentia Round Table will take on the nature of a brunch when members and friends gather at 10:30 a.m. at the Club House on North Bradford Avenue on Jan. 3.

Mrs. Bernard Liston, program chairman will introduce the guest speaker, Mrs. Lynn Jaramillo, a home economist with the Southern California Edison Company, who will show party ideas including food, games, center pieces and other ideas to help make entertaining successful.

After the brunch, members will vote on the arts and crafts displayed by members and select the articles in different categories which will represent Round Table at the Orange District Fine Arts Festival on Jan. 24 at the Fullerton Ebell Club.

Greeting members and guests at the door will be Mrs. Carl Czaplinski and Mrs. John Barnes. Hostesses chaired by Mrs. David Dennis include the Mrs. Berry Beard, Mrs. Oscar Carlson,

Mrs. Frank Barrese, Mrs. Frank Daniels, Mrs. Theodore Ediss, Mrs. Richard Ellstrom, Mrs. Leo Fortin, Mrs. Bedford Griffen, Mrs. Joseph O'Connell, Mrs. Henry Rissi, Mrs. David Messenger and Mrs. James Moore.

Edison Starts Property Tax Installments

Orange County's largest taxpayer, Southern California Edison Company, paid \$4,759,612 as the first installment of its local property taxes for 1972-73.

The final installment will be paid April 10, bringing the total the investor-owned electric company is paying to \$9,519,223.

As in years past, about half of this money will go directly to the support of public schools in Orange County, according to Robert B. Beck, Edison's Orange County Division Manager.

Taxes of all types continue to represent one of the largest single items of expense to the electric company.

Soutars Welcome Daughter

A daughter, their first child, was born Dec. 14 in the military hospital at Fort Bliss, Texas to Army Spec. 4 and Mrs. Thomas Soutar, former Fullerton residents now living in El Paso. The baby has been named Kelly Jo.

Mrs. Soutar is the former Miss Phyllis Baker, daughter of Mr. and Mrs. Phillip L. Baker of Fullerton, who are maternal grandparents. Paternal grandparents are Mr. and Mrs. James E. Soutar, also of Fullerton.

Area Couple Hosts Guests At Gathering

Mr. and Mrs. Forrest Irwin of Orange entertained with a family gathering of adult members Sunday evening, Dec. 17.

Throughout the home of Mr. and Mrs. Irwin, Santa Claus was featured, even little Santa Claus nut cups were used. A gift exchange was enjoyed, and wishes for a happy holiday season prevailed. Those present, with the host and hostess included Mr. and Mrs. Vick Wogberg, Mrs. Beulah Carlson and Mrs. Ila Holt.

City Police Concerned About Drinking Drivers

The Placentia Police Department is planning on stepped-up enforcement during the holidays. One of the department's primary concerns is the drinking driver.

A department spokesman noted that "The drinking and driving problem is one of the major factors contributing to motor vehicle accidents." This fact is borne out by many studies of fatal accidents. In a number of states, special studies have shown that as many as half of the drivers involved in fatal accidents had been drinking.

A special holiday study by the National Safety Council showed that 55 percent of a Christmas season's fatal traffic accidents involved a drinking driver.

Chief of Police Norm Traub points to the rise of the drinking driver so far this year in the city of Placentia (48 arrests have occurred for driving while under the influence of alcohol, as compared to 31 last year). Chief Traub further stated that the City's patrol officers will be alert for drinking drivers in the hope of preventing a tragic accident from marring the holidays.

Fairmont Cubs Receive Awards

Strains of Rudolph the Red Nosed Reindeer could be heard in the night as families of Pack 742's Glenknoll and Fairmont Cub Scouts met on Dec. 14.

Although the Pack now has 62 Cubs, new members are invited to join. Boys 8 to 10 years old in the Fairmont area may call Committee Chairman Robert Valdez, 524-9216, and those in the Glenknoll area may call Cubmaster Ron LaFourcade, 524-7747.

Donald Duncan, Pat Reading, Scott Clark and their parents were welcomed to Pack 742 during the Bobcat Ceremony. Presentation of awards by Assistant Cubmaster Ken Blanchard were as follows: Bear badge, Max Glendenning; Gold Arrows, James Nixon, and Max Glendenning; Silver Arrows, Brad Hanson, Shaun Bell, Bob Templeton, and Max Glendenning; Denner Braids, David Blanchard, Kirk LaPean, Paul LeBlanc, Gary Stitz; Assistant Denner Braids, Randy Loy, Tony Lomenzo, Brendan Durrett; and Recruiter

Strip, Jim Minter. Robert LeJuwaan earned his one year pin and Sarah Kahn, Den Mother, received her three year pin.

Chris Kunsman, Cliff Haille, and John Francis have transferred to Pack 742 as Webelos. Webelo Activity Awards were presented to Jim Minter, Gary Blanchard, Delos Eyer, Jeff Kahn, Chris Kunsman, Tim Tapia, Justin Zitny, Steve

Coordinating Council Sets Meeting Date

The next meeting of the Placentia Coordinating Council will be Thursday, Dec. 28 at 12:15 p.m. at the Alta Vista Country Club, 777 Alta Vista, Placentia.

The program for this month will be a presentation by a Placentia Junior Round Table member, Mrs. Barbara Reed, concerning the drug program, "We TIP."

This should prove to be a very interesting meeting and every group and organization is encouraged to send a representative. Interested citizens are also invited to attend.

Sawyer, and Pat LeBlanc.

Beautiful long-stemmed red roses were received by Den Mothers Shauna Bell, Pat Blanchard, Sarah Kahn, Martha La Pean, Betty Hoyt, Ruth Ann LeBlanc, and by Bev LaFourcade and Judy Valdez for their service to the pack.

During a recent weekend, 24 Webelos (10 year olds) and their dads could be found camping overnight at Featherly Park in the Santa Ana Canyon. On Saturday, Dec. 16, Pack 742 was at

Camelot Golf Course for a spirited and competitive game of miniature golf. The boys are now looking forward to a snow outing at Camp Ahwahnee in the San Bernardino mountains on Jan. 26, which is being arranged by Outings Chairman Ron Lejuwaan.

Esperanza Completion Delayed

A problem with sinking land and an environmental impact report will delay the completion of Esperanza High School at least another 57 days, with completion now set for sometime in December.

Contractors discovered the problem with sinking land recently when comparing the property to base levels established in 1966. Since then the entire region around the Esperanza has sunk 2.76 inches.

According to a recently approved change order it will take 38 days and \$18,000 to bring the property to proper grade level for construction.

David Tansey, who is in charge of construction for the district, told the board that the sinking would have a minimal effect on the buildings once constructed since the entire region is sinking.

No one has any idea why the land is subsiding.

Built-in Bargain Counter

Right in your own home.

Being a bargain counter, it's a penny counter. And that makes it a blessing counter: water is still one of the lowest items on any household budget.

Because you pay for what the meter records, we want it to be accurate. So testing water meters on a continuing basis has long been part of our "quality water service."

We test for accuracy. You check for leaks. Making us partners in better — and more economical — living.

Fullerton Travels To Riverside Tourney

Fullerton College's basketball team will travel to Riverside to begin play in the 30-team Riverside Invitational Tournament.

Coming off a championship in the Chaffey Tourney, host Riverside has a good chance of taking its own event.

The Hornets have lost momentum since taking the Bakersfield crown and have gone from a 4-1 record to a 6-5 mark.

As usual, the Fullerton Cagers have kept the games close, trying to give Coach Erza Van Horn an ulcer. In their latest attempt, FC dropped a 97-96 decision to Los Angeles Southwest on a last second desperation shot.

Robert Mallory of Southwest hit a 20-foot jump shot at the sound of the buzzer taking the one-point win.

Fullerton had blown a 50-41 halftime lead but regained the lead when guard Bob DeWeese hit two free throws with five seconds to play. However, the Hornet defense couldn't stop Mallory, who only scored seven points the entire game. Center, Mike Taylor, ended with 24 for FC and DeWeese had 22. Jeff Hutton, now a starter, scored 18. However, three Southwest players scored 23, 25, and 27 points respectively.

El Dorado Falls In VP Tourney Game

El Dorado High School fell in the last second to La Serena High 77-75 in a contest for third place in the Villa Park Basketball Tournament.

In a game where neither team was able to take any kind of a lead, Jeff Van Winkle scored 22 points, Bruce Osterstrom 16, John Jesmont 13, and Jones 12.

The Hawks played for third after losing to Califor-

nia High School 75-70 in a game which the Condors almost ran away with. The Hawks rallied in the last period from a 63-46 deficit but could never quite catch up.

El Dorado got into the winners bracket with a 64-49 romp over Chino. Mike Moore was high scorer in that game with 21 points.

Valencia Starts Play In Pioneer Tourney

The Valencia High School Tigers had a week off last week before starting play in the last tournament of their holiday season before beginning league play in January.

Starting tonight the Tigers

El Modena, Troy Play For Title

El Modena and Troy met for the title in the Troy Basketball Tournament Saturday night after both teams scored victories in the first two contests.

Troy gained the finals by defeating Sierra 63-43 in the first round and edging Tustin 78-77 in the second round. Mark Wulfemeyer scored 24 points against Sierra and 36 against Tustin to lead Troy's offense.

El Modena started strong by defeating Sonora 76-59 in the first round in a game in which they led the entire game. The Vanguard defeated Santa Ana Valley 69-59 in the second round.

Blair and Sonora played for the consolation crown Saturday before the final game.

travel to the Pioneer Tournament in Whittier hoping to continue their win streak started when they won their own Lettermans Tournament.

Valencia started out slow but came on strong two weeks ago when they won three straight in the Tiger tournament. In their last game they blew a good Northview team off the floor.

CSF Travels To Irvine For Tourney

CSF begins the annual UC Irvine tournament this weekend at 8 p.m.

The Titans will play against some top teams in the NCAA College Division and are not expected to win the tourney. They placed third out of four teams last year.

Coach Moe Radovich's squad will begin the California Collegiate Athletic Association play on Jan. 6 against Cal Poly San Luis Obispo.

Hear Ye! Hear Ye!

So says
Florence Robinson

Helen and Bob Finnell were dreaming of a white Christmas, with their family, and so took off Wednesday for Tahoe, where the snow is deep and white. They had just settled themselves when what to their "wondering eyes did appear" but Ed and Hank Powell, who had the same dream. Not planned, so it was said, but what new bag of toys will greet Placentia and the City Council come 1973. Oh Brother! Ho Hum!

Signatures on a recent guest list were startling. We found the following: Sister Pierotti and Sister Vorderkunz. Do not know to what order they belong or what their habit is, but more power to them in the new role as "Sisters."

Now this ecology and pollution thing. Everything is a 'land mark' decision. The land will surely be marked up too much if this continues. Why land marks? Why not just decisions that hopefully will help earth creatures and not despoil the land with marks.

There are enough blue ribbons to encompass the globe. It takes the blue ribbon so long to "blue ribbon" that the color has been changed before decisions can be reached. Why not have a red ribbon or a yellow ribbon committee - appropriate at this time blue fades quickly. Red and yellow we will have with us for many years to come according to Zodiac readings.

Ask Dan Greeley what he got as a gift at the Christmas party of employees. I saw it but he told me not to print it. I won't, but just ask him if he has found any washers as yet.

Good, old standby Robert Finnell, councilman, was at the employees party. Always depend on Bob. And Howard Block was there for a farewell visit with everyone. Cannot keep up with Jim Park. He had an attractive business woman with him at the employees party. Never known about Park. There would be no party unless Chief Sims, "Hip" Edward and Captain Mosely were present, and so they were. Firemen "chose" not to participate. Your loss boys.

Clear, crisp night. The hour was approaching nine, and I was prepared for bed, when a knock came to the door. Upon opening there stood a group of singers, with lighted candles, singing of Christmas and Silent Night. What a wonderful way to prepare for the night's rest. They were singers from the First Church of the Nazarene, and when the song died away in the distant night air, a tall young man dressed in the ancient garb of early Christianity presented me with a single rose bud and a scroll bearing the words of Isaiah. "Twas foretold Him, The rose we have in mind. The desert bloomed in Bethlehem with Peace for all Mankind."

The scroll was on parchment, and the rose will light the beauty of the days ahead. I will treasure this personal gift always.

Women Host Luncheon

Christmas remembrance to "helping hands" is always a delight, but personal attention by way of thank you for your help and happy holidays was extended by Mrs. S. Cornelius and Mrs. Robert Braddack, when they entertained at lunch at the Molly

Brown recently.

Honored were Mrs. Beulah Carlson and Mrs. Dorothy Nalley, who so often lend a hand with the baby sitting needs and home duties when the hostesses have to be away for a time.

CROSSROADS SHOPPING CENTER, YORBA LINDA BLVD. AT BRADFORD, FULLERTON

Parent Conducts Art Workshops At School

Fourth grade students at Fairmont Elementary School have been given some special art instruction by Mrs. James Cruse, a parent volunteer who conducts art workshops as an enrichment activity for the children.

Some of their Christmas artistry and selected pictures from other grades as well will be donated to the

Area Club Attends Luncheon

The Placentia-Yorba Linda Welcome Wagon Club held their Christmas luncheon at the Revere House Dec. 13. Each member and guest brought a bingo gift and gift for a convalescent.

A brief meeting was conducted by the president, Eleanor Cooper, and the luncheon was served, followed by a bingo game in which each person present received a gift. The gifts for the elderly will be distributed to a convalescent home in the area by a group of the members and their children before Christmas.

Decorations for the luncheon tables were white net Christmas trees decorated with gold ornaments and sequins made by the Welcome Wagon members and used previously at their Christmas Snowflake Ball held at the Alta Vista Country Club on Dec. 2.

After the luncheon, the trees were presented to members who worked so hard to make the Christmas Ball and luncheon such a wonderful success.

Luncheon Held For Employees

Mrs. Norman Traub was a gracious hostess Tuesday, Dec. 18 when she entertained at luncheon the young ladies who so efficiently handle the work in the Placentia Police Department.

Conversation centered around plans for the holidays, as well as what to choose for luncheon, and still not get off one's diet. Mrs. Traub presented each one there with an intriguing living plant encased in a bell jar.

Those in attendance included Miss Rosalinda Espinosa, secretary to the Police Chief, Janet L. Patton, typist clerk, Jo Anne Boyd, Adelaide T. De Wees, Noreen M. Hand and Lois E. Hunter, the latter four Dispatcher-Clerks in the department, and guest Mrs. Florence K. Robinson.

Holiday Activities Held

Girl Scout Troop 657 of Placentia climaxed their Christmas preparations with a caroling party last week. After an evening of caroling locally, the girls returned to the home of Mrs. Judie Harker, where they exchanged gifts.

The troop has been busy the month of December making crafts for the Christmas season. The girls made a Christmas present for their mothers, as well as mobiles and snowmen for their home decorations.

For Thanksgiving the troop visited the Gordon Lane Convalescent Home in Fullerton, where the girls gave the people original poems and decorative turkeys.

The girls hope to spend a weekend in February at a cabin in the mountains, but so far they haven't been able to reserve a cabin. Anyone able to donate the use of a cabin to the troop should contact either of the two adult leaders, Mrs. Becky McClellan, or Mrs. Barbara Smith.

Bill Bellmore Recognized

Bill Bellmore of Ward & Harrington Lumber Company has been awarded a hardware retailing industry service award as a tribute to the firm's leadership and outstanding ability in hardware merchandising and improving its service to customers in your area by Hardware Retailing.

Hardware Retailing is a national trade magazine reaching more than 45,000 people throughout the U.S.

Dance Set By Guild

St. Martin's Womens Guild will hold a New Year's Eve dance at the church, 19771 Yorba Linda Blvd. from 9 p.m. to 1 a.m. with the Paul Zenn Quartet providing the music.

A buffet dinner will be held at 11 p.m.

A limited supply of tickets at \$10 per couple are available. For more information or tickets call Mrs. R. G. Turner at 528-4169 or Mrs. S. A. White at 528-9730.

DINING OUT AND ENTERTAINMENT

Relocatables Approved By District

As a temporary move, the Placentia Unified School District Board of Trustees has approved the use of two relocatable classrooms at Fairmont Elementary School to relieve overcrowding there.

The school, masterplanned for 710 students, now has 747 with an additional 50 expected before the end of the school year.

Superintendent John Tynes said that the building would be put in place over the Christmas holiday if possible. He added that the district has several other relocatables which could be used at the school if needed.

The district is working on plans for a second school on the Fairmont site to relieve overcrowding caused by extremely fast growth in the eastern Yorba Linda area.

Registration Planned At ED, VHS

Registration for second semester classes at El Dorado and Valencia high schools in the Placentia Unified School District will open Tuesday, Jan. 9.

Student orientation sessions will be held Jan. 5 and 8 at El Dorado High to explain registration procedures, according to Counselor Richard Seybold.

Seniors will register between 8 and 11:30 a.m. Jan. 9 in the campus gym, juniors from 8-12 a.m. Jan. 10, sophomores from 8 a.m.-2 p.m. Jan. 11 and freshmen from 8 a.m.-2 p.m. Jan. 12. Counselors will be available to answer questions at El Dorado and may be reached at 524-4365.

At Valencia, juniors and seniors will make their class selections Jan. 9 and freshmen and sophomores on Jan. 10, according to Assistant Principal Will Waite. Registration will be held during physical education class periods in the gym. Any Valencia student with preregistration questions may call the counseling office at 524-4321.

Mrs. Martin To Host Meeting

Mrs. Larry Martin of Garden Grove will hostess the next business meeting of Beta Alpha Xi on Monday, Jan. 8 at 8 p.m. Mrs. Jim Rennels will present the program for the evening entitled "Our Own Home."

The chapter will celebrate its ninth birthday party on Saturday, Jan. 13 with a party to be given in the home of Mr. and Mrs. Richard Smetanka of Garden Grove.

Too Late To Classify

WILL REPAIR FURNITURE: Cigarette burns, gouges, alcohol spots. All work done in the home. Refinishing - all work guaranteed. J.M. Greene, Orange. Call any time, 538-8584.
